Recall Petition

We, the qualified electors of the electoral district from which **Diane Douglas, Arizona Superintendent of Public Instruction** was elected, demand his recall. The grounds of this demand for recall are as follows:

“Since taking office in January 2015, Diane Douglas has demonstrated that she lacks the ability and expertise to serve professionally and politically in her elected position as the Arizona State Superintendent of Public Instruction. From a fiduciary standpoint, Superintendent Douglas has consistently and recklessly jeopardized valuable and vital education funding due to her unwillingness to execute various federal and state education laws and State Board of Education policies. In regards to her leadership role, she has not upheld the virtue of the constitutional public office to which she was elected, refusing to fulfill not only her basic duties under A.R.S. 15-251 but also to adhere to the checks and balances of the Arizona state government system. Most importantly, she is not fulfilling her basic state duties superintending the schools of Arizona, focusing more on how to increase her power and position rather than how to increase student achievement, teacher effectiveness, school performance, stakeholder relations, and educational funding. Education is in a crisis fiscally, professionally, socially, and emotionally in Arizona. Education in Arizona needs a strong leader to lead its stakeholders and citizens during this time of crisis. Diane Douglas has proven she is not that leader.”
